**AFFIDAVIT IN SUPPORT OF A CRIMINAL COMPLAINT**

STATE OF NEW YORK    )  
COUNTY OF MONROE    )  
CITY OF ROCHESTER    )

I, GREGORY F. SCHMITTER, being duly sworn, depose and state:

1.     I am an Investigator with the New York State Police (NYSP) and am a Task Force Officer with the Department of Homeland Security, Homeland Security Investigations (HSI). I have been employed by the NYSP since August 2007 and have been a Task Force Officer since December 2019. I am responsible for investigating crimes involving child exploitation, including violations of 18 U.S.C. §§ 2251(a) (Production of Child Pornography); 2252A(a)(2)(A) (Receipt and Distribution of Child Pornography); and 2252A(a)(5)(B) (Possession of Child Pornography).

2.     This affidavit is made in support of a criminal complaint charging MATTHEW SHULMAN with Attempted Production of Child Pornography, in violation of 18 U.S.C. § 2251(a); Receipt and Attempted Receipt and Distribution of Child Pornography, in violation of 18 U.S.C. § 2252A(a)(2)(A); and Possession and Attempted Possession of Child Pornography, in violation of 18 U.S.C. § 2252A(a)(5)(B).

3.     The information contained in this affidavit is based upon my personal knowledge and observations, my training and experience, conversations with other law enforcement officers, and my review of documents and records.

4.     Because this affidavit is submitted for the limited purpose of establishing probable cause to secure a criminal complaint, I have not included every fact known to me as

a result of this investigation. Rather, I have set forth facts that I believe are necessary to establish probable cause to believe that SHULMAN did knowingly violate 18 U.S.C. §§ 2251(a); 2252A(a)(2)(A); and 2252A(a)(5)(B).

### **BACKGROUND OF INVESTIGATION**

5. In May 2021, an undercover New York State Police (NYSP) Investigator (the UC), operating in the Western District of New York, engaged in an investigation to identify individuals using the Kik Messenger application to engage in criminal sexual activity with children. Kik Messenger is an internet and mobile messaging application that allows users to communicate in and affecting interstate and foreign commerce via the internet. Kik is known by law enforcement as a platform on which individuals trade child pornography and engage in the sexual exploitation of children. The UC posed as an 11-year-old female and the UC's public profile contained a photograph depicting a female of that approximate age.

6. On May 4, 2021, the UC received a message from user "LazuliKnight" with a display name of "M Knight." The account's profile picture depicted a white male with brown/green eyes and brown hair, wearing a necklace with metal balls on it. The male (later identified to be MATTHEW SHULMAN) identified himself as "Matt," a 28-year-old in Rochester, NY. The UC immediately advised "Matt" that the UC was 11 years old. "Matt" replied that the child's age did not bother him but expressed concern that the child was actually a police officer. During this initial conversation, "Matt" stated: "you going to make a boy very happy one day being as cute as you are" and asked for a picture of the child. The UC replied with a law enforcement approved photograph of the same apparent 11-year-old child that was depicted in the UC's public profile. "Matt" then sent a picture of himself

holding a card that had “5/4/21” written on it. “Matt” also provided his phone number as 585-210-XXXX, at which point the conversation switched to text messaging.

7. Between May 4, 2021 and May 5, 2022, “Matt” exchanged approximately 4,671 text messages with the UC, which were often sexual in nature. During the conversations, “Matt” instructed the child to masturbate, requested pictures of the child’s vagina, sent pictures of his penis to the child, discussed meeting the child in person to engage in sexual intercourse, and distributed child pornography to the child, all in violation of 18 U.S.C. §§ 2251(a); 2252A(a)(2)(A); and 2252A(a)(5)(B).

8. For example, on May 6, 2021, “Matt” engaged in the following exchange with the UC:<sup>1</sup>

2021/05/06	07:27:53 PM ED	585-210-5999	SMS	Incoming	Its ok. It's hard for me to explain where, but if you want me to show you better, I have an idea. But, you'd have to do something you might not be comfortable with.
2021/05/06	07:33:32 PM ED	585-210-5999	SMS	Outgoing	What??
2021/05/06	07:35:33 PM ED	585-210-5999	SMS	Incoming	Well, each girls vagina looks different from each other, so if I were to see yours, then I could show you the spot you can rub to possibly make the orgasm feeling happen. But I'll understand if that makes you uncomfortable and you don't want to.
2021/05/06	07:36:31 PM ED	585-210-5999	SMS	Incoming	There's other ways that girls can make the orgasm feeling happen too

“Matt” also told the child to look at porn on the website “Pornhub” during this conversation.

9. By directing the child to take a photograph of her vagina and share it in order for SHULMAN to teach the child how to masturbate, SHULMAN attempted to produce, receive, and possess child pornography in violation of 18 U.S.C. §§ 2251(a), 2252A(a)(2)(A), and 2252A(a)(5)(B).

10. On May 17, 2021, “Matt” sent a picture of his erect penis in connection with the following text exchange:

2021/05/17	10:02:31 PM ED	585-210-5999	SMS	Outgoing	Is that really u??? 🤔

11. On May 24, 2021, “Matt” sent another picture of his penis with the message: “[h]ere’s what I see when I look down.”

12. On June 1, 2021, "Matt" wrote:

2021/06/01	04:14:57 PM ED	585-210-5999	SMS	Incoming	I've asked before and I know you don't like the idea, but doing this would prove to me you're not an undercover police
2021/06/01	04:14:59 PM ED	585-210-5999	SMS	Outgoing	K well i promise i didnt tell gma or any cops bout us
2021/06/01	04:16:08 PM ED	585-210-5999	SMS	Incoming	To prove it to me, I'd need you to take a selfie. Either a naked selfie of some kind of a selfie in your underwear and nothing else on. Police can't send those so if you do, then I'll know you're not police and I can fully trust you
2021/06/01	04:19:50 PM ED	585-210-5999	SMS	Incoming	Like I know you said you didn't want to send any of those until after meeting, but by sending either a selfie of you nude, or a selfie of you in your underwear, then I'll know you're real and that I won't get in trouble
2021/06/01	04:33:42 PM ED	585-210-5999	SMS	Incoming	It's the only way I can think of to prove I won't get in trouble for coming to see you, unless you have any other ideas aside from that?

2021/06/01	05:25:58 PM ED	585-210-5999	SMS	Incoming	Just think, once I can fully trust you I can do all sorts of cool things for you whenever you like or ask
2021/06/01	05:29:30 PM ED	585-210-5999	SMS	Outgoing	Cool stuff like what
2021/06/01	06:11:13 PM ED	585-210-5999	SMS	Incoming	Well, I could do things like share my Netflix account so you could have new things to watch, I could order you a pizza when your gma isn't home if you're hungry and I can have it delivered to you, drive you places that you want to go after we meet, maybe buy you some thing if there's something you want. Those are just some ideas.
2021/06/01	08:03:58 PM ED	585-210-5999	SMS	Outgoing	4 reals u would do that 4 me??!?!?
2021/06/01	08:06:15 PM ED	585-210-5999	SMS	Incoming	Of course I would
2021/06/01	08:32:37 PM ED	585-210-5999	SMS	Outgoing	That would be crazy awesome!!

13. On June 21, 2021, “Matt” began sending UC images and videos of child pornography in violation of 18 U.S.C. § 2252A(a)(2)(A).

14. Specifically, on June 21, 2021 “Matt” sent the following images of child pornography to the UC:

- a. **Image #1:** a collage of five pictures showing a prepubescent male child and a prepubescent female child exposing their nude genitals and anuses in a lascivious manner.
- b. **Image #2:** a collage of sixteen pictures depicting a prepubescent male child’s penis being inserted into a prepubescent female child’s vagina.
- c. **Image #3:** a collage of four pictures depicting a prepubescent female child inserting a highlighter into her vagina.

15. On June 25, 2021, “Matt” sent a collage of child pornography images depicting a prepubescent female child inserting various objects into her vagina, and a dog placing its nose against the child’s vagina.

16. On July 6, 2021, “Matt” sent a collage of images depicting an approximately 10-year-old female child inserting a foreign object into her vagina.

17. On June 21, 2021, “Matt” (SHULMAN) engaged in a 24-minute phone conversation with a NYSP Trooper, who the defendant believed was the child. During the conversation, SHULMAN talked about teaching the child about sex. The child responded that she was scared that SHULMAN would make fun of her because she “doesn’t know how to do anything.” SHULMAN assured the child that he would not make fun of her and that he could teach her how to “do things.” SHULMAN talked about meeting the child, saying that he would bring her a “milkshake.” SHULMAN asked the child what she would like to do when they meet, to which the child responded that she wanted to do the things “in the pictures,” referring to the child pornography that SHULMAN had previously sent to the child as described above. SHULMAN then said that there were a lot of things shown in the pictures, and asked the child to specify what sex acts she wanted to try with SHULMAN. The child ultimately said that she wanted to try “sex” to which SHULMAN replied that they won’t be able to try that “for a little bit” because his “penis is a lot bigger than the boy’s penis that [she] saw in the picture” referring to the child pornography that SHULMAN had sent to the child. SHULMAN explained that his penis would hurt the child unless her vagina got a little bigger. SHULMAN then said that since he never saw the child’s vagina, he can’t say whether his penis would hurt the child or not. As the conversation continued, SHULMAN talked to the child about masturbating and asked her masturbate using a pen and her finger

while on the phone with him. SHULMAN told the child that this was his way of “teaching” her how to engage in these activities so that the child could be ready for them to meet. During the conversation, SHULMAN told the child that talking to her was making his “penis really hard.” As the conversation continued, SHULMAN talked to the child about her dog, and then told the child that some girls let their “dog lick between their legs,” and that some girls “like it a lot.” When the child said that she’d never done that before, SHULMAN told the child that she could look it up on the internet.

18. On August 26, 2021, SHULMAN engaged in the following conversation in which he planned to meet the child for sex:

2021/08/26	09:30:58 PM ED	585-210-5999	SMS	Incoming	So you're ok with me wanting to do adult things with you like seeing each other naked and sex and things like that?

2021/08/26	10:09:42 PM ED	585-210-5999	SMS	Incoming	I'd probably be on my back while you sat down on my face leaning forward towards my cock

2021/08/26	10:15:19 PM ED	585-210-5999	SMS	Incoming	And as a girl, you would get to learn how to give a handjob and if you want to try it, you could learn how to give a blowjob too, if you know what those are
2021/08/26	10:16:11 PM ED	585-210-5999	SMS	Outgoing	Yeah i know what they r lol

2021/08/26	10:19:53 PM ED	585-210-5999	SMS	Incoming	I mean, if we meet then yes

19. Between August and October 2021, conversation became sporadic in nature. On October 14, 2021, SHULMAN engaged in the following communications, showing his continued interest in the child:

2021/10/14	10:13:33 AM ED	585-210-5999	SMS	Outgoing	Well I still love u and miss u. Its ok if u dont but just tellin u

20. In December 2021, SHULMAN again discussed meeting with the child and made tentative plans to meet when the child's grandmother would not be home. As the meeting date grew closer, SHULMAN told the child that he could not meet due to mechanical issues with his car. Similar conversation took place from December 2021 through April 2022 via text messaging.

21. As of April 14, 2022, "Matt" was still communicating with the UC. On that day "Matt" instructed the UC to download the messaging application Telegram and create an account. Telegram is an internet-based messaging application, that allows individuals to exchange messages and media, such as photographs, via the internet. Telegram is known by law enforcement as a means by which pedophiles exchange child pornography.

22. The UC created a Telegram account as instructed, at which point "Matt" sent the UC three videos of child pornography as defined by 18 U.S.C. § 2256(8):

- a. **Video #1:** The first video is 3 minutes and 30 seconds in length. It depicts a female child approximately 10-years-old inserting a hot dog in her vagina.
- b. **Video #2:** The second video is 3 minutes and 4 seconds in length. It depicts a female child approximately 12-years-old performing oral sex on a prepubescent male child. The two then engage in sexual intercourse.
  - i. “Matt” sent a message with this video stating: “Here’s a vid of a girl and boy doing a bunch of things together. The girl is 13 and the boy is 12.”
- c. **Video #3:** The third video is 1 minute and 34 seconds in length. It depicts a female performing oral sex on a prepubescent female child.
  - i. “Matt” sent a message with the video that stated: “I want to do both of these things to you too. The girls are between 10 and 12.”

23. As of May 30, 2022, “Matt” was still communicating with the UC. “Matt” asked to meet the child for sex in the area of Waterloo, NY on Memorial Day, May 30, 2022. This date was selected in part, because “Matt” believed that the child would not have school due to the holiday. The meeting was ultimately cancelled when “Matt” claimed that his car had been damaged in an accident.

#### **IDENTIFICATION OF MATTHEW SHULMAN**

24. According to records obtained by the NYSP, 585-210-XXXX (the number used to communicate with the UC), is subscribed to MATTHEW SHULMAN, a level 1 registered sex offender in New York State. According to SHULMAN’s sex offender registration and criminal history, he is currently serving a probation sentence with the Monroe County Probation Department based on a 2016 state conviction for Possessing a Sexual Performance by a Child. Shulman’s probation term is set to expire in 2026. SHULMAN’s arrest and sex offender registry photographs depict the same person that is depicted in the photograph that “Matt” sent to the UC as detailed above. In his arrest photograph from 2016, SHULMAN

also appears to be wearing the same metal ball necklace that he used while communicating with the UC.
